A Message from the Ministry

At Broken Vessel Ministries, our mission is to spread the Gospel of Jesus Christ while meeting the urgent physical needs of those in Honduras. Guided by the commandment to "Love thy neighbor as thyself," we strive to make a positive impact on the lives of those we serve.

"Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms." — 1 Peter 4:10

Total Donations Received: \$26,076.47

- Designated Donations: \$17,373.53
- Undesignated Donations: \$13,189.88

All donations are receipted and tracked in accordance with our ministry's accountability standards.

Total Assistance Provided: \$25,039.35

Funds were used for emergency aid, food, utilities, medical, and educational support. These funds were used to provide direct aid to individuals and families facing crisis or hardship. Every case is prayerfully reviewed to ensure genuine need, and no aid is issued without accountability or follow-up. We believe in holistic help—supporting the physical, emotional, and spiritual needs of those we serve.

Operational Expenses: \$1,525.37

Covered completely by a private anonymous sponsor.

This amount includes: printing, postage, and office supplies, online platform and communication tools, occasional travel/mileage for ministry needs, and basic administrative costs.

Note: This generous sponsorship means that 100% of all public donations went directly to assistance, not overhead. We praise God for this unique provision!

Remaining Balance (as of June 1, 2026): \$5,524.06

Reserved for upcoming or emergent needs.

Stewardship Principles

- Transparency: Clear reporting and open books

We are proud to say that Broken Vessel Ministries maintains an unwavering commitment to utilizing 100% of all donations received to spread the Gospel—all organizational services are provided by volunteers, including administrative oversight, case management, and financial review.
